

Localwise

1. We do not recruit for any commission only positions.
2. We only operate across the Colorado front range with most of our positions in the Greater Denver area.
3. Our service is 100% free to job seekers and university programs.
4. We only recruit for Sales and Customer Service positions within the insurance industry.
5. Students who have recently graduated or are graduating in the near term would find Localwise to be the most beneficial. We would not be a good resource for students looking for an internship or part time opportunities.
